

PRODUITS METALLURGIQUES &
PALPLANCHES EN P.V.C. RECYCLE

Technical drawing of a cross-section of a wide-flange beam. The drawing shows a top flange with a thickness of 0.250 inches, a web with a height of 7.0 inches, and a total width of 24 inches. The flange has rounded outer edges and a small notch on the bottom edge. The web is centered and has a slight taper. The drawing is a line drawing with dimensions and a scale of 1/4 inch = 1 foot.
